

# SPRINGINESS TESTER

AS PER IS 13778 (Part 3):1993 / IEC Pub 851-3 (1985)

The Springiness Tester for Winding Wires is used to know the springiness of the wire. The tester is designed as per IEC Pub 851-3 (1985) and IS 13778 (Part 3) : 1993.

This test is applicable for enamelled round wires with nominal conductor diameters up to and including 1.6mm.

## Features:

- Easy operation
- Table mountable unit
- Lockable handle
- Mandrel of different diameters for different conductor diameter
- Weights specified as per standards
